Engineer

{ Hardware Repair & Data Recovery }

Rescuing files from a dead machine

Repairing what is worth repairing, and getting the photographs, invoices or drawings off a disk that has stopped working.

Still working out what you need?

Tell us what is going wrong, or what you are trying to build. We will tell you what it would take, roughly what it would cost, and whether we are the right people for it.

From 1,400 DKK an hour, excluding VAT — and less per hour on a longer booking.
